Second Quarter 2013

True North

Protecting jobs in America by helping companies stay competitive!

Today's Quote

"He who rejects change is the architect of decay. The only human institution which rejects progress is the cemetery."

~Harold Wilson

Dear Client,

Exceeda is very excited about all of our happenings as we move into the second half of 2013! The first half of the year has been full of great experiences and successes with our existing clients and we look forward to continuing with them as we also move into new areas as well.

Eastec 2013

We had a great time at Eastec in Springfield, MA this year. It was wonderful to meet some great new people and catch up with some long-time contacts as well!

We are looking forward to MFG4 in May of 2014 in Hartford, CT we will keep you posted when the show gets closer.

Our Company Video

We are thrilled to launch our first company video. With the help of some of our long-standing clients, we were able to put together an informative and interesting video about Exceeda, Lean and the successes our customers have achieved. Please click the link to the right to watch the full video.

**Why Lean?
Why Exceeda?
The Results!**

As we continue to help customers in manufacturing, service and distribution, we are very excited to begin some great new projects with clients in State Government, Education, and Healthcare. Lean is truly a methodology and set of tools that can be applied to any industry and provide significant positive results.

About Us

Our consultants are experts in Lean, Lean Sigma, Human Resources, Information Technology and Accounting. With our experienced team, we have the knowledge and experience to deliver a total Lean Transformation to your organization! We have proven successful in implementing Lean in a broad range of companies and industries and are confident we can help your organization become more efficient.
